

ULTRA PRECISION MANUFACTURING CONFERENCE 2015

TUESDAY 12 MAY | 08.45 – 17.00

The EPSRC Centre for Doctoral Training in Ultra Precision is holding a one day conference and exhibition to showcase the best advances in ultra precision engineering in fields such as nano- and micro- manufacturing, metrology, mechatronic systems and control, and ultra precision machines. The event is designed to provide an opportunity for industrialists and academic researchers to share their latest ideas and to explore future collaborative opportunities in the field of ultra precision engineering.

Location

Institute For Manufacturing
17 Charles Babbage Road, Cambridge, CB3 0FS

Registration is FREE, but spaces are limited.

Please email up.conference.2015@my-ifm.net
to register.
