

ULTRA PRECISION ENGINEERING CONFERENCE 2016

Monday 9th May | 8:45 - 17:00

Institute for Manufacturing, University of Cambridge,
17 Charles Babbage Road, Cambridge, CB3 0FS.

The EPSRC Centre for Doctoral Training in Ultra Precision is holding a one day conference and exhibition to showcase advances in ultra precision engineering in fields such as aerospace, medical devices, metrology, non-conventional manufacturing processes, and photonics.

2 μ m | WD = 5.0 mm | Tilt Corr. = Off | System Vacuum = 2.61e-006 mbar | FIB Probe = 30KV:1 nA | Signal A = SE2 | 16:06:37
Mag = 3.02 K X | Tilt Angle = 54.0 ° | Noise Reduction = Frame Int. Done | FIB Lock Mags = Yes | EHT = 5.00 kV | 11 Jan 2016

Registration is FREE, but spaces are limited.

Please email up.conference.2016@my-ifm.net to register.
